AVIATION CONFERENCE

A UK-based event organizing company, BCI Aerospace, on Thursday announced that it will hold the Africa Airport Infrastructures and MRO (Maintenance Repair and Overhaul) Conference in Addis Ababa from September 22-24. More than 200 international airlines, MRO centers, aircraft and engine manufacturers, airport equipment manufacturers and suppliers will participate at the conference. Delegates will pay 2000 dollars to take part in the event. Local participants will be required to pay 500 dollars. (Compile by Kaleyesus Bekele)
